

**2025 Academic Year Industry-Academia Collaboration
Overseas Youth Vocational Training Program (OYVTP) Bachelor Degree
Admission Prospectus**

School	Minghsin University of Science and Technology		
Program	Department of Electronic Engineering Semiconductor Packaging and Testing Technology- Overseas Youth Vocational Training Program 4-year Bachelor Degree		
Program Abbreviation	Department of Electronic Engineering Semiconductor Packaging and Testing Technology (Semiconductor Packaging and Testing Technology)		
Program Description	This program is designed to attract overseas Chinese youth interested in electronics engineering, artificial intelligence (AI), integrated circuit (IC) design, and manufacturing. It offers a structured curriculum and a conducive learning environment for overseas Chinese youth to gain practical knowledge and skills for employment in their home countries. Graduates will be well-prepared to pursue careers in relevant technical fields.		
Graduate Career Development	<p>Graduates will be suitable for the following roles :</p> <ol style="list-style-type: none"> 1. Equipment Engineer 2. Process Engineer 3. Integration Engineer 4. Facility Engineer 5. Software Engineer 6. Circuit Design Engineer 7. Layout Engineer 8. Microstrip and Microstrip Antenna Design Engineer 9. Network Engineer 		
Chinese Language Courses (online or on-campus courses)	The university's Chinese Language Center offers courses in listening, conversation, reading comprehension, and writing in Chinese. Additional tutoring, remedial courses, and counseling services are available to strengthen students' Chinese language proficiency.		
Professional and Technical Training Courses (including internship subjects)	<u>General courses</u> 1. Calculus Chinese Literature 2. Chinese Culture 3. Life and Law in Taiwan 4. Taiwanese Culture 5. Taiwanese Art 6. Taiwanese Society 7. Pinyin Pronunciation Practice 8. Chinese Listening Practice 9. Chinese Reading and Comprehension 10. Chinese Writing Practice 11. Chinese Conversation Practice 12. Chinese Tutoring 13. Technology English 14. Physical Education	<u>Professional courses</u> 1. Calculus 2. Occupational Safety and Health 3. Basic Electrical Engineering 4. Basic Digital Logic Circuits 5. Industrial Safety 6. Circuit Theory 7. Digital System Design 8. Electronics 9. Programming 10. Microprocessor Principles 11. Semiconductor Devices	<u>Internship and practical courses</u> 1. Physics and Physics Practicum 2. Electronics Practicum 3. Industry Practice Internship

	15.Engineering Ethics		
Internship	<p>1. Period and working hour: For the second, third, and fourth years; three days per week during the semesters.</p> <p>2. Allowance: Based on the 2025 Ministry of Labor standards, the minimum monthly salary is TWD28,590, with an hourly rate of at least TWD 190. 8 hours × 3 days = 24 hours, 24 hours × TWD190 = TWD 4,560; TWD 4,560 × 4 weeks = TWD 18,240.</p> <p>3. Institution: KINSUS INTERCONNECT TECHNOLOGY CORP.</p>		
Work-study During Semester	<p>Students who wish to work in Taiwan (either on campus or off campus) are required to apply for and obtain a work permit before starting a job. With the exception of the winter and summer vacations, students' sum of working hours shall not exceed 20 hours per week.</p>		
Employment Counseling	<p>1. The university's Counseling and Career Development Center offers employment consultation services.</p> <p>2. Retention mechanisms are available within each internship organization to encourage students to remain with the company post-graduation.</p>		
Further Education After Graduation	<p>1. Graduates of this program can take the entrance exam of the master's degree programs of other universities in accordance with relevant regulations.</p> <p>2. Students can also apply for the relevant master's program at our overseas partner universities or any other universities(*) such as: Tarumanagara University (Indonesia), Fukuoka Institute of Technology (Japan), Tunku Abdul Rahman University (Malaysia), Adamson University (Philippines), Nanyang Polytechnic (Singapore), Montana Technological University (United States), Western Sydney University (Australia), and Rotterdam University of Applied Sciences (Netherlands)</p> <p>(*) Sister Schools List: https://shorturl.at/jWOkS</p>		
Scholarships and Financial Aids	<p>1. The Overseas Community Affairs Council provides the following grants and subsidies:</p> <p>(1) The first two years of tuition grant: each new student will be granted TWD 20,000 per semester during the first two academic years. (The tuition grant for national universities has been applied to actual charges, with a maximum limit of 20,000 TWD.)</p> <p>(2) Excellence Conduct and Academic Performance Scholarship: Available for those with excellent academic performance. Those who have obtained certificates and competition awards will be</p>		

- awarded TWD 6,000 per person per academic year.
- (3) Medical Insurance for Overseas Compatriot Students (6 months): A total of TWD 600 will be subsidized (before students enroll in the National Health Insurance Program).
 - (4) Healthcare: Every student is required to enroll in the National Health Insurance Program and pay the insurance premiums. Students who have proof of economic hardship (or financial difficulty document) are subsidized 50 % of the insurance premiums. (Current monthly subsidy is TWD 413) .
 - (5) Work-study subsidy and economic hardship scholarship: TWD 2,500 per month for students who are offered work-study opportunities.
 - (6) Emergency Aid: Provided on a case-by-case basis.
2. Scholarship and subsidies provided by the University:
- (1) Accommodation Subsidy: Full accommodation subsidy for the first semester (students must prepay for air conditioning, cleaning, and security deposits).
 - (2) Tuition Subsidy: TWD 20,000 per semester for the first year. For the second to fourth years, subsidies range from TWD 5,000 to TWD 20,000 per semester based on the student's class rank and the scholarship budget of the school for that year.

**Tuition and Fees
(TWD)**

1.School fees

Academic Year	Tuition*	Miscellaneous	Other fees*	Accommodation fees*	Total
First year First semester (The amount after deducting OCAC grant)	17,740	13,470	2,300~ 11,300	4,900 (includes utilities, prepaid air conditioning, garbage disposal fee, and deposit)	38,410~ 47,410
First year Second semester (The amount after deducting OCAC grant)	17,740	13,470	6,656~ 15,656	15,000 (includes utilities, prepaid air conditioning, garbage disposal fee, and deposit)	52,866~ 61,866
Second year (Amount per	17,740	13,470	6,656~ 15,656	15,000 (includes utilities, prepaid air	52,866~ 61,866

semester) (The amount after deducting OCAC grant)				conditionin g, garbage disposal fee, and deposit)	
Third year (Amount per semester)	37,740	13,470	6,656~ 15,656	15,000 (includes utilities, prepaid air conditionin g, garbage disposal fee, and deposit)	72,866~ 81,866
Fourth year (Amount per semester)	37,740	13,470	6,656~ 15,656	15,000 (includes utilities, prepaid air conditionin g, garbage disposal fee, and deposit)	72,866~ 81,866

*Note:

- (1) Tuition and miscellaneous fees are calculated based on fees approved by the government.
- (2) Other fees: Book fees: TWD 0–3,000 per semester; Material fees: TWD 0–3,000 per semester; lab fees: TWD 0–3,000 per semester; Computer usage fee: TWD 1,050 per semester; Group insurance: TWD 650 per semester; Overseas student insurance: TWD 600 for the first six months; from the seventh month, National Health Insurance (NHI) is TWD 826 per month
- (3) Accommodation fees: The fees include basic utilities, but air conditioning is charged based on actual usage.

2. Estimated Personal Living Expenses: TWD 7,000 per month

3. Additional charge:

- (1) Various exam fees: Charged according to actual fees
- (2) Health examination, residence permit, and work permit fees: Charged as per actual conditions
- (3) Bedding set: TWD 2,100 per set (optional purchase based on individual needs)
